Report of the committe appointed to present a plan for fitting up the Schoolhouse in Distrist No 2.

State of New Hampshire
Rockingham ss
Your committe ~~beg~~ appointed two weks ago this evening to present a plan for fitting up & repairing Schoolhouse in School Dis No 2 beg leave to report,
Gentlemen your committe attended to the duties assigned them at the earliest convenient & although the time was limited they have been able to make what enquiries were necessary also to visit some Schoolrooms fitted up in the most approved stile and to consult most of the modelle plans of school architecture. they have sought for that plan best adapted to the walls of this house which was both symetrical in the parts and beutiful in its arrangments and to carry out the plan which your committe

it is found necessary to make great
changes in the present condition of the
house your committe propose to make
an opening on the East side of the
house by which fire arms may be
had under the house where they
recomend that the earth be removed
sufficiently to form a good wood
cellar well stoned upon the sides
& & furnished with a good Door.
also that the entrance to the school-
room be at the southeast window
the bricks will being out away for
that purpose & the window placed
where the outside Door now is.
filling up the space in the Doorway
not occupied by the window with
Brick.
your committe also recomend that
both of the Chimneys be taken down
& the hearths be removed.
also that there be closet in the
Northeast corner of the house 3 ft wide
running west by the wall of the house
seven ft in length ceiled lathed and
plastered well furnished with clothes
hooks & a Door

Also that the seats be so constructed that they entire School shall face the east.

the seats & Desks to be obtained at Wm. B. Shattucks & Co's commercial street Boston at three Dollars & 94 Cts pr Double seats for 24 Double Seats.

Also that their be a seat on the west & South side of the house running the entire length & breadth of the house with a space or aisle before it sufficient to walk in.

Also that their be seats with Boxes under them for Books &c. on both sides of the Teachers stand which shall consist of a platform raised 6 in. nicely rounded at the corners supplied with a table & Chair from the above named furniture house.

Your committe further recommend that the walls of the house on all sides be painted black from the ceiling as far down 3 ft which may be done at a trifling expence by mixing lamblack with motor & putting on a skimcoat also that the house be furnished with 2 Stoves placed in the east side of the room

the pipes passing westward to a certain point then nearly approaching each other pass up through the floor and enter a small chimney the ceiling & doors grained & varnished.

the windows to be shaded by curtains clean and white. all of which is respectfully submited.
